

# Hands Up Against Bullying

Anti-Bullying Week 19-23 November

In response to our 'Wanted Poster' (right) we received in excess of 1000 hands which we will be displaying at the following events:

**Airedale Centre, Keighley**  
**Monday 19th November, 10am -12 noon**

**Centenary Square, Bradford.**  
**Friday 23rd November, 2pm - 5pm**

The events will be supported by Spring Water, a company promoting anti-bullying messages on bottled water supplied to schools, Kingfisher Windows, who will be displaying colourful handprints on panes of safety glass and launching their anti-bullying site, [www.handsupnow.co.uk](http://www.handsupnow.co.uk), and Merv Pemberton, the Bradford and Airedale PCT's anti-bullying coordinator.

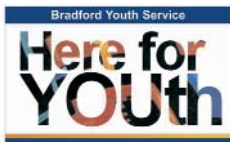

We are also using the Impressions Gallery in Centenary Square to allow young people to put their anti-bullying messages on a canvas. The 'Respect 4 Young People' Young People's Scrutiny Committee are supporting this.

**If you work with young people please encourage them to attend the events, as well as support the events yourselves with your presence!**

**Don't forget!** Bradford Children and Young People's Partnership have launched a text-based anti-bullying service:

**For help and advice**  
**txt 'bully' to 0798 9999 222**
